Important Information

1. Unlimited and untimed calls only apply for standard local calls, standard national calls and calls to standard Australian mobiles and cannot be used for commercial purposes. SCT Fair Use Policy applies. Other call charges are available upon request.
2. Plan fee includes cost of one standard residential home line rental. This plan is not available to business customers.
3. Top 15 International rates only apply to fixed line calls – rates to other countries and international mobiles are available upon request.
4. All rates and charges are inclusive of 10% GST. Timed calls are charged in 1 second increments and unless otherwise stated, will incur a call connection fee of 35 cents. For the avoidance of doubt, untimed national calls and untimed calls to mobiles are not subject to a call connection fee.
5. Normal ADSL installation cost is \$99.
